Support your Christian brothers & sisters in Jerusalem and the Middle East

With such significant and complicated issues facing many communities within the Middle East and North Africa it can be difficult to know what to pray for and how you can help.

JMECA, as the leading Anglican charity supporting the Church across the Province, is able to help UK based Christians keep up to date with the religious and charitable work of the four dioceses via its informative website and thought provoking Bible Lands magazine.

Don't just take our word for it:

*"May I say how impressed I was by the new magazine!
I found the content topical and well presented"* Monica C.

Bible Lands magazine is published twice-yearly and is sent free of charge to individuals, churches and other organisations.

Simply return the request slip below by 1st May to receive your own copy of Bible Lands Summer 2012.
